WELCOME TO 1ST CREDIT REPAIR

Welcome to 1st Credit Repair. Our site is dedicated to helping people get their credit back on track. Please bookmark our site and use our "tell a friend" button. This site is full of information for those who want to have a better credit score to those who are near bankruptcy. The information provided in this site can change your life. All Clickbank offers come with a full 8 week money back guarantee so do not be afraid to try out something, we do it all the time and have never had a problem getting a refund for a clickbank product.

In this day and age, your credit score can mean thousands of dollars a month or a year in interest. The lower your credit score, the more interest you will be paying for anything that you purchase. Unfortunately it continues to prove the fact that "the rich get richer". Let's make a difference and be treated with the respect that we deserve. If you have found offers or have some interesting information, please visit our forum and share with others. You are welcome to use affiliate links for anything that you like. Our site is "pinged" every 48 hours. Using our forum and referring our site is the best way to get some recognition and backlinks to your own when you use your signature on our forum. Please visit our links page which contains some sites with very lucrative paid to offers! Have a blessed day and our prayers are that you prosper from the information and the use of this site.
